Location: Trinity Room 1  
Moderator: Pele Cannon
- Noosa bushfires: Collaborations and interconnections in a time of global change**  
10:30 AM - 12:00 PM  
Location: Trinity Room 1  
Speaker: Carina Anderson

**Exploring the role of social networks in wildfire evacuation and re-population in an era of extreme wildfire**  
10:30 AM - 12:00 PM  
Location: Trinity Room 1  
Speaker: Amanda Stasiewicz

**Why Do we Burn? Examining the metaethics of wildfire risk management planning and prescribed burning activities**  
10:30 AM - 12:00 PM  
Location: Trinity Room 1  
Speaker: Pele Cannon

10:30 AM - 12:00 PM

### Regenerative agriculture in practice – values, wellbeing, and mindsets (Part I)

Location: Marlin Room 1

Moderators: Brooke McWherter, Jenny Hodbod, Ethan Gordon, Hannah Gosnell, Kimberly Brown

#### Collaborating with other species: the role of biodiversity in regenerative agriculture

10:30 AM - 12:00 PM

Location: Marlin Room 1

Speaker: Hannah Gosnell

#### Wellbeing, resilience, and regenerative grazing in the USA

10:30 AM - 12:00 PM

Location: Marlin Room 1

Speaker: Jenny Hodbod

#### Nine discursive interpretations of regenerative agriculture

10:30 AM - 12:00 PM

Location: Marlin Room 1

Speaker: Ethan Gordon

#### Regenerative agriculture: supporting farmer resilience during times of drought

10:30 AM - 12:00 PM

Location: Marlin Room 1

Speaker: Kimberly Brown

10:30 AM - 12:00 PM

### Stakeholder Engagement and Knowledge Integration within Water Systems

Location: Marlin Room 2

Moderators: Leah Jones-Crank, Austin Holland

#### Conservation Stakeholders' conceptualization of access management in the Iowa Great Lakes

10:30 AM - 12:00 PM

Location: Marlin Room 2

Speaker: Austin Holland

#### Stakeholder knowledge integration for water-energy-food nexus governance

10:30 AM - 12:00 PM

Location: Marlin Room 2

Speaker: Leah Jones-Crank

#### Understanding diverse water perspectives for inclusive water planning

10:30 AM - 12:00 PM

Location: Marlin Room 2

Speaker: Sarah Roth

#### TAPS: A innovative and interactive real-world farm management competition promoting knowledge sharing between diverse stakeholders

10:30 AM - 12:00 PM

Location: Marlin Room 2

Speaker: Mark Burbach

12:00 PM - 1:00 PM

### Lunch Break

Location: Poolside Terrace

1:00 PM - 2:30 PM

Location: Trinity Room 1

Speaker: Catriona Barr

#### A history of conflict and a future with fire: Identity and knowledge among forest workers in northern California

1:00 PM - 2:30 PM

Location: Trinity Room 1

Speaker: Adrienne Brown

#### Exploring community-government relationships to navigate uncertain Australian landscape futures

1:00 PM - 2:30 PM

Location: Trinity Room 1

Speaker: Andrea Rawluk

1:00 PM - 2:30 PM

### Regenerative agriculture in practice – monitoring, evaluation and process (Part II)

Location: Marlin Room 1

Moderators: Brooke McWherter, Steve Dovers, Jacki Schirmer

#### **The why, who and what of monitoring change in restoring landscapes: insights from the Mulloon Rehydration Initiative**

1:00 PM - 2:30 PM

Location: Marlin Room 1

Speaker: Steve Dovers

#### **Regenerative agriculture: 'Us versus them' or a continuum of practice?**

1:00 PM - 2:30 PM

Location: Marlin Room 1

Speaker: Jacki Schirmer

#### **From Theory to Practice: A case study in implementing and evaluating a national farmer education program for regenerative agricultural adoption**

1:00 PM - 2:30 PM

Location: Marlin Room 1

Speaker: Brooke McWherter

#### **Developing a Holistic Sustainability Assessment for Grazing-Based Beef Production Systems in the North Central United States**

1:00 PM - 2:30 PM

Location: Marlin Room 1

Speaker: Jonathan Vivas

1:00 PM - 2:30 PM

### Energy and Extraction Insights

Location: Marlin Room 2

Moderator: Eric Wade

#### **Conditional Firm Service on BC Hydro's Transmission System, Exporting Power from Powell River to United States**

1:00 PM - 2:30 PM

Location: Marlin Room 2

Speaker: Paulus Mau

#### **Emotional Economies and Green Extractivism: Understanding the Regional & Community Impacts of Extraction Within the Renewable Energy Supply Chain**

1:00 PM - 2:30 PM

Location: Marlin Room 2

Speaker: Patrick Clemens

#### **Collaborative governance and 'regime' perspectives on transition: insights from Australian regions navigating mine closure**

1:00 PM - 2:30 PM

Location: Marlin Room 2

Speaker: Tira Foran

#### **Examining the social constructs and knowledge levels of marine energy in remote coastal communities**

1:00 PM - 2:30 PM

Location: Marlin Room 2

Speaker: Eric Wade

1:00 PM - 2:30 PM

### Freshwater Systems and Climate Change

Location: Marlin Room 3

Moderator: Krista Harrington

#### **Groundwater Sustainability Planning: climate-informed, but not climate adaptive?**

1:00 PM - 2:30 PM

Location: Marlin Room 3

Speaker: Courtney Hammond Wagner

#### **An interdisciplinary lens to Higher Education on Water Security and Climate Change in India: Future of Research, Policy and Practice**

1:00 PM - 2:30 PM

Location: Marlin Room 3

Speaker: Suparana Katyaini

#### **Integrating climate change and human wellbeing into local watershed ecosystem recovery plans in Puget Sound, Washington.**

1:00 PM - 2:30 PM

Location: Marlin Room 3

Speaker: Krista Harrington

2:30 PM - 3:00 PM

### Coffee Break

Location: Event Center Pre-Function Space

3:00 PM - 4:30 PM

### Opening Windows: Embracing New Perspectives and Practices in Natural Resource Social Sciences

Location: Trinity Room 1

Speakers: Bobby Jones, Andrea Rawluk, Simon West, Jaye Mejia-Duwan, John Parkins, Daniel Williams ;

Moderators: Kate Sherren, Gladman Thondhlana, Douglas Jackson-Smith

3:00 PM - 4:30 PM

### Human Dimensions of Watershed Management

Location: Marlin Room 1  
Moderator: Lain Dare

#### **Discerning Differences in Attitudes Toward River Management between Agricultural Producers in the Upper and Lower Colorado River Basin**

3:00 PM - 4:30 PM  
Location: Marlin Room 1  
Speaker: Mark Burbach

#### **Understanding drivers of change for sustainable river basin management**

3:00 PM - 4:30 PM  
Location: Marlin Room 1  
Speaker: Lain Dare

3:00 PM - 4:30 PM

### **Bridging worlds, amplifying voices: The role of hubs in enhancing IASNR's interdisciplinary impact**

Location: Marlin Room 2  
Speaker: Leonie Pearson

3:00 PM - 4:30 PM

### **Navigating Agricultural Landscapes: Programs, Practices, and Adaptation**

Location: Marlin Room 3  
Moderator: Helen Ross

#### **Characterizing the "good farmer" and what it means for transformational landscape change**

3:00 PM - 4:30 PM  
Location: Marlin Room 3  
Speaker: Ashley Becker Steele

Location: Ballroom 1 & 2  
Speaker: Yu-Tung Hung

**Cascading climate change risks to Māori communities socially and culturally**

5:00 PM - 7:00 PM  
Location: Ballroom 1 & 2  
Speaker: Marcelle Scadden

**Discursive Constructions of Conservation and Destruction of Nuclear Sites in East Tennessee**

5:00 PM - 7:00 PM  
Location: Ballroom 1 & 2  
Speaker: Helen Wilds

**Exploring the interactions between the Uplifted Coral Reef ecosystem and restoration program of Formosan Sika Deer in Kenting**

5:00 PM - 7:00 PM  
Location: Ballroom 1 & 2  
Speaker: Jia Xi Song

**Oregon's Watershed Councils: Over 30 Years Of Playing An Important Role in Watershed Management**

5:00 PM - 7:00 PM  
Location: Ballroom 1 & 2  
Speaker: Stacy Rosenberg

**Coexisting with Wolves to Rewild the Land**

5:00 PM - 7:00 PM  
Location: Ballroom 1 & 2  
Speaker: Krista Lyons

**CropCraft: Serious Game Creating IMPACT2 in the US Midwest**

5:00 PM - 7:00 PM  
Location: Ballroom 1 & 2  
Speaker: Shivika Aggrawal

**Political Party Affiliation, Fox News Exposure, and Partisan Divides in Support for Renewable Energy in the United States**

5:00 PM - 7:00 PM  
Location: Ballroom 1 & 2  
Speaker: Christopher Clarke

7:00 PM - 9:00 PM

**Early Career Networking Event**

Location: The Backyard

---

**Tue, Jun 25, 2024**

9:00 AM - 10:30 AM

**The power of place for navigating in the Anthropocene: Place and Transitions**

Location: Trinity Room 1  
Moderators: Daniel Williams, Christopher Raymond

**Living With Change: Understanding the role of place**

9:00 AM - 10:30 AM  
Location: Trinity Room 1  
Speaker: Vanessa Adams

**Trajectories of agricultural change: Meeting socio-ecological needs with purposeful regional place-making processes**

9:00 AM - 10:30 AM  
Location: Trinity Room 1  
Speaker: John Strauser

**Attachment to Land: Understanding "Terraphilia" and its role in the Energy Transition**

9:00 AM - 10:30 AM  
Location: Trinity Room 1  
Speaker: Rich Stedman

**Ecological grief and loss in changing places: how does it arise and what can we do about it?**

9:00 AM - 10:30 AM  
Location: Trinity Room 1  
Speaker: Claudia Benham

9:00 AM - 10:30 AM

**Villains, victims and superstars: Re-configuring human-wildlife relationships in changing seas**

Location: Marlin Room 1  
Moderators: Jacqueline Lau, Gillian Paxton

**Between the intrinsic and the instrumental: value relations between corals, reefs, and scientists**

9:00 AM - 10:30 AM  
Location: Marlin Room 1  
Speaker: Elis Jones

**Coral and crown-of-thorns starfish: Negotiating desired life in the Great Barrier Reef**

9:00 AM - 10:30 AM  
Location: Marlin Room 1  
Speaker: Gillian Paxton

**Reconstructing the Wild: Defining nature by rebuilding coastlines**

9:00 AM - 10:30 AM  
Location: Marlin Room 1  
Speaker: Samantha Muka

**Navigating shark depredation in the Pacific**

9:00 AM - 10:30 AM  
Location: Marlin Room 1  
Speaker: Jacqueline Lau

**Ontological Imaginaries and Rethinking Marine Wildlife**

9:00 AM - 10:30 AM  
Location: Marlin Room 1  
Speaker: Linde Draaisma

9:00 AM - 10:30 AM

**Temporality and Justice in Mining Impacted Regions**

Location: Marlin Room 2  
Speakers: Will Rifkin, Sean Markey, Jess Reeves, Joshua Matanzima, Clement Sefa-Nyarko

9:00 AM - 10:30 AM

**Social science and biosecurity: advances, prospects and opportunities for future collaborations on integrated issues related to weed management (Part I)**

Location: Marlin Room 3  
Moderators: Sonia Graham, Jennifer Atchison, Zhao Ma, Mysha Clarke, Leonie Miller

**Various forms of trust in facilitating collective action for managing invasive plants**

9:00 AM - 10:30 AM  
Location: Marlin Room 3  
Speaker: Teresa Paniagua

**Post hurricane forestland and weed management**

9:00 AM - 10:30 AM  
Location: Marlin Room 3  
Speaker: Mysha Clarke

**From shoots of hope to overwhelm: Weed management in post-fire landscapes**

9:00 AM - 10:30 AM  
Location: Marlin Room 3  
Speaker: Nicholas Gill

**Acknowledging and recognising Indigenous knowledge and expertise in weed management**

9:00 AM - 10:30 AM  
Location: Marlin Room 3  
Speaker: Jennifer Atchison

10:30 AM - 11:00 AM

**Coffee Break**

Location: Event Center Pre-Function Space

**The power of place for navigating in the Anthropocene: The role of place in a climate changing world**

Location: Trinity Room 1  
Moderators: Daniel Williams, Christopher Raymond

**Examining the relationships between place values and modeled biodiversity and carbon sequestration priorities in Helsinki, Finland**

2:30 PM - 4:00 PM  
Location: Trinity Room 1  
Speaker: Christopher Raymond

**Postcards from the Great Barrier Reef: using social media to map uses and values of a changing reef**

2:30 PM - 4:00 PM  
Location: Trinity Room 1  
Speaker: Francisco Gelves Gomez

**Species as placemakers: the role of species in place attachment**

2:30 PM - 4:00 PM  
Location: Trinity Room 1  
Speaker: Edith Shum

**Place-making for protected areas: Stability and change all at once**

2:30 PM - 4:00 PM  
Location: Trinity Room 1  
Speaker: William Stewart

2:30 PM - 4:00 PM

**Conservation Dynamics, Perceptions, and Actions**

Location: Marlin Room 1  
Moderator: Emily Rowen

**Discovering Motivations, Constraints, and Perceptions of Conservation Easements in Missouri, USA**

2:30 PM - 4:00 PM  
Location: Marlin Room 1  
Speaker: McKenna Thompson

**"In My Community, You'll Never Find Someone Who Drinks From The Tap": Exploring Urban Water Values and Relationships**

2:30 PM - 4:00 PM  
Location: Marlin Room 1  
Speaker: Amelia (Emily) Kreiter

**Navigating reconnection to nature – Immigrant perspectives**

2:30 PM - 4:00 PM  
Location: Marlin Room 1  
Speaker: Prativa Sapkota

**Grassland Conservation in a Privately-Owned Landscape: Conservation Professionals' attitudes towards adaptation in Woody Plant Management**

2:30 PM - 4:00 PM  
Location: Marlin Room 1  
Speaker: Emily Rowen

2:30 PM - 4:00 PM

**Cultivating Climate Resilience: From Planning to Practice**

Location: Marlin Room 2  
Moderator: Leonie Pearson

**Temperature Buffering Capacity of Shade Trees in Coffee Agroforestry Systems of Timor-Leste: An Assessment of Biophysical and Household Drivers**

2:30 PM - 4:00 PM  
Location: Marlin Room 2  
Speaker: Jorge Ramos

**Climate resilient development pathways - from mining to thriving peatlands**

2:30 PM - 4:00 PM  
Location: Marlin Room 2  
Speaker: Leonie Pearson

2:30 PM - 4:00 PM

**IASNR, Ethics, Diversity, Equity and Inclusion: Reflections on progress to date and priorities for moving forward**

Location: Marlin Room 3  
Moderators: Jessica Ulrich-Schad, Sarah Church, Rose Keller

4:00 PM - 4:30 PM

**Coffee Break**

Location: Event Center Pre-Function Space

4:30 PM - 6:00 PM

### **The power of place for navigating in the Anthropocene: Linking theory and practice**

Location: Trinity Room 1

Moderators: Daniel Williams, Christopher Raymond

#### **Dissonances between affective, cognitive, and behavioral responses to an ecological catastrophe**

4:30 PM - 6:00 PM

Location: Trinity Room 1

Speaker: Sarah Gottwald

#### **Place laws and place-sensitive agriculture**

4:30 PM - 6:00 PM

Location: Trinity Room 1

Speaker: Robyn Bartel

#### **Barriers and enablers to incorporating Sense of Place into policy**

4:30 PM - 6:00 PM

Location: Trinity Room 1

Speaker: Joe Duggan

#### **Where have we been and where are we going? Why place matters for navigating the Anthropocene**

4:30 PM - 6:00 PM

Location: Trinity Room 1

Speaker: Daniel Williams

4:30 PM - 6:00 PM

### **Fostering Conservation Consciousness**

Location: Marlin Room 1

Moderator: Kristi Lekies

#### **Indigenous land-based learning in a Faculty of Environment in British Columbia**

4:30 PM - 6:00 PM

Location: Marlin Room 1

Speaker: Naomi Krogman

#### **Assessing Experiences of Climate Anxiety in Natural Resources Students**

4:30 PM - 6:00 PM

Location: Marlin Room 1

Speaker: Casey Taylor

#### **Teaching Environmental Citizenship: A University-Based Course Incorporating Rights, Responsibilities, and Application**

4:30 PM - 6:00 PM

Location: Marlin Room 1

Speaker: Kristi Lekies

4:30 PM - 6:00 PM

### **Human Wellbeing and Nature Connections**

Location: Marlin Room 2

Moderator: Kyle Clifton

#### **Strategies for Creating Health-promoting Public Spaces: A Focus on Soundscapes and Emotional Experience.**

4:30 PM - 6:00 PM

Location: Marlin Room 2

Speaker: Ju-Yuan Yang

#### **Using Natural Language Processing to Explore the Impact of Smell on Emotion in Different Urban Park Types**

4:30 PM - 6:00 PM

Location: Marlin Room 2

Speaker: Yuwen Wang

#### **Linking Outdoor Activities with Sense of Place, Psychological Wellbeing, and Stewardship Behaviors**

4:30 PM - 6:00 PM

Location: Marlin Room 2

Speaker: Kelly Biedenweg

#### **Improving Human Wellbeing Indicators in Ecosystem Recovery Programs**

4:30 PM - 6:00 PM

Location: Marlin Room 2

Speaker: Kyle Clifton

4:30 PM - 6:00 PM

**Conservation, Conflict, and Communities of Place**

Location: Marlin Room 3  
Moderator: Tetsuya Aikoh

**The Implementation and challenges of co-managed protected areas in Taiwan**

4:30 PM - 6:00 PM  
Location: Marlin Room 3  
Speaker: Fang-ling Lee

**Invisibilization Brought by CITES-Based Harvest Quota System: Wild Agarwood Management in Northeast Kalimantan, Indonesia**

4:30 PM - 6:00 PM  
Location: Marlin Room 3  
Speaker: Yosuke Sano

**Civil Society Perspectives on Forestry and Land Management to Achieve Government Commitments on Climate Change, Land Degradation and Biodiversity Goals in India**

4:30 PM - 6:00 PM  
Location: Marlin Room 3  
Speaker: Abhijit Banerjee

**Expansion of Protected Areas by 30x30 Biodiversity goal and Conflicts with Local Stakeholders in Japan**

4:30 PM - 6:00 PM  
Location: Marlin Room 3  
Speaker: Tetsuya Aikoh

6:00 PM - 8:00 PM

**Quiz Bowl**

Location: Ballroom 1 & 2

---

**Wed, Jun 26, 2024**

9:00 AM - 10:30 AM

**Land and sea communities of Oceania – “just transitions”**

Location: Trinity Room 1  
Moderators: Jen Bond, Claudia Benham, Leonie Pearson, Lain Dare

9:00 AM - 10:30 AM

**Innovations in Environmental Remediation and Landscape Restoration**

Location: Marlin Room 1  
Moderator: Sally Hawkins

**Gaining perspectives on the use of genomics and constructed wetland systems in environmental remediation**

9:00 AM - 10:30 AM  
Location: Marlin Room 1  
Speaker: Renata Mont'Alverne

**Satisfaction with reclamation and post-mining land-use potential: An assessment and comparison of landowners and other residents in Southern Appalachia, USA**

9:00 AM - 10:30 AM  
Location: Marlin Room 1  
Speaker: Buddhi Gyawali

**Translating a vision to practice for re-creating landscapes: social and environmental dimensions of and principles for peatland restoration in Central Kalimantan, Indonesia**

9:00 AM - 10:30 AM  
Location: Marlin Room 1  
Speaker: Andrea Rawluk

**Using Q method to assess stakeholder priorities for landscape change in 3 case study catchments in England**

9:00 AM - 10:30 AM  
Location: Marlin Room 1  
Speaker: Sally Hawkins

9:00 AM - 10:30 AM

**Social science and biosecurity: advances, prospects and opportunities for future collaborations on integrated issues related to weed management (Part II)**

Location: Marlin Room 2  
Moderator: Sonia Graham, Jennifer Atchison, Nicholas Gill, Leonie Miller, Zhao Ma, Mysha Clarke

10:30 AM - 11:00 AM

**Coffee Break**

Location: Event Center Pre-Function Space

11:00 AM - 12:30 PM

**Building Safe and Inclusive Spaces for Natural Resource and Environmental Management: You have a Right to Know!**

Location: Trinity Room 1  
Moderators: Maisie MacKnight, Allyson B. Muth

11:00 AM - 12:30 PM

## **Agricultural Conservation Behaviors and Sustainability**

Location: Marlin Room 1

Moderators: Rebecca Schewe, Jessica Ulrich-Schad

### **Ecological Drought Knowledge and Knowledge Sharing Among Decision Makers**

11:00 AM - 12:30 PM

Location: Marlin Room 1

Speaker: Sale Rhodes

### **“We’re very late to the party”: Motivations and Challenges with Improving Soil Health in Utah**

11:00 AM - 12:30 PM

Location: Marlin Room 1

Speaker: Jessica Ulrich-Schad

### **Factors shaping risk perception and management of soil contamination: A case study of urban agriculture in Indiana**

11:00 AM - 12:30 PM

Location: Marlin Room 1

Speaker: Nathan Shoaf

### **Agricultural Conservation and Water Quality**

11:00 AM - 12:30 PM

Location: Marlin Room 1

Speaker: Rebecca Schewe

### **Outcomes of Agricultural Climate Change Mitigation Efforts: A Case of Power Relations in Shaping California Department of Food and Agriculture Climate-Smart Agriculture Programs**

11:00 AM - 12:30 PM

Location: Marlin Room 1

Speaker: Brennan Radulski

11:00 AM - 12:30 PM

## **Advancing Ecosystem Services Research and Practice**

Location: Marlin Room 2

Moderator: Kate Sherren

### **Support, don’t coerce: Impacts of unconditional Payments for Ecosystem Services**

11:00 AM - 12:30 PM

Location: Marlin Room 2

Speaker: Jonathan Bauchet

### **Applying an extended ecosystem service accounting framework to turn data into information for better management of the Great Barrier Reef.**

11:00 AM - 12:30 PM

Location: Marlin Room 2

Speaker: Anthea Coggan

### **Rural apartment residents are important coastal ecosystem service beneficiaries and stakeholders in coastal adaptation decisions**

11:00 AM - 12:30 PM

Location: Marlin Room 2

Speaker: Kate Sherren

11:00 AM - 12:30 PM

**Supporting sustainability transformations with research into the resilience and adaptive capacity of communities**

Location: Marlin Room 3  
Moderators: Carena van Riper, Zhao Ma

**Session Overview & Motivations: Supporting Sustainability Transformations with Research into the Resilience and Adaptive Capacity of Communities**

11:00 AM - 12:30 PM  
Location: Marlin Room 3  
Speakers: Carena van Riper, Zhao Ma

**Supply and demand mismatches in the provision of ecosystem services to support sustainability transformations of protected area communities**

11:00 AM - 12:30 PM  
Location: Marlin Room 3  
Speaker: Shi Xue

**Socio-ecological systems to enhance the regional resilience in the context of climate change**

11:00 AM - 12:30 PM  
Location: Marlin Room 3  
Speaker: Ulrike Pröbstl-Haider
